

86cm integrated rangehood in dark stainless steel with baffle filter, Hob2Hood and LED lighting.

Product Details

FEATURES

Dark Stainless Steel	Baffle filter	Hob2Hood Hob2Hood automatically adjusts your hood settings so you can focus on creating delicious dishes.	Intensive extraction setting
----------------------	---------------	--	------------------------------

LED lights	Electronic controls
------------	---------------------

BENEFITS

ATTRACTS AS IT EXTRACTS AEGs baffle filter design is sleek and functional. The durable stainless-steel filter efficiently extracts vapours, absorbs odours and filters grease to prevent build-ups in order to optimize the airflow. Its easy to remove and replace, and is dishwasher safe.	THE HANDS-FREE HOOD The Hob2Hood function controls your cooker hoods fan and lights, automatically regulating the fan leaving your hands free and mind clear to focus on cooking. If youd prefer to adjust the fan speed yourself, there are manual controls on the cooker hood too; its your choice.
--	---

LET'S CLEAR THE AIR Intense levels of extraction efficiently remove cooking odours and vapours so you can enjoy fresh kitchen air, faster.	BENEFIT FROM LONG-LASTING LIGHTING Clear, bright LED lighting comes into its own in the kitchen, making ideal task lighting when cooking over a cooktop. And more good news, it's long-lasting and energy-efficient, too.
