*Dimensions are nominal measurements only.

Installation Instruction

STEP 1:
Cut off the G1/2 outlet thread to flush with the finished wall surface.

STEP 2
Turn the G1/2 spout adapter onto the outlet thread, and ensure to place the rubber washer inside, as shown in the figure.

STEP3:

- o Fit the back plate onto the spout adapter.
- o Place the ABS washer against the backplate.
- o Push in the spout onto spout adapter, tighten two grub screws firmly on the underside of the spout with the Allen key. (Don't over tighten)
