## Key Features

### High Air Extraction

Cooking three or four dishes at once on a cook top usually generates extra steam and smoke. So, if your favourite dishes rely on woks, pots and frying pans then you probably need a powerful Omega rangehood. One that clears the air quietly and efficiently. Look for a higher model number. That means it offer more powerful suction.

### LED Light

LED lights use a small amount of energy, generate little heat and last a long time. Not only are they cost effective, they will ensure your cooktop is well lit.

### Washable Filter

The removable, washable filter is easy to maintain and keep clean ensuring your rangehood always performs well.
