Please note: While RBA takes all reasonable measures to ensure our ligature resistant products consistently perform as advertised, we do not perform load testing on every item. RBA strongly recommends all customers perform their own load testing on each item prior to installation and at regular intervals throughout the life of the product.

RBA does not offer or warrant any of our products as 'anti-ligature' as no product can be truly ligature-free. RBA will not be liable for any claims, losses or damage arising from ligature attachment to our products. It is the responsibility of the purchaser and installer to ensure supplied products are suitable for the environments they are to be installed into.
