Finish: Satin finish

Capacity: 150mm dia. [2000 sheets].

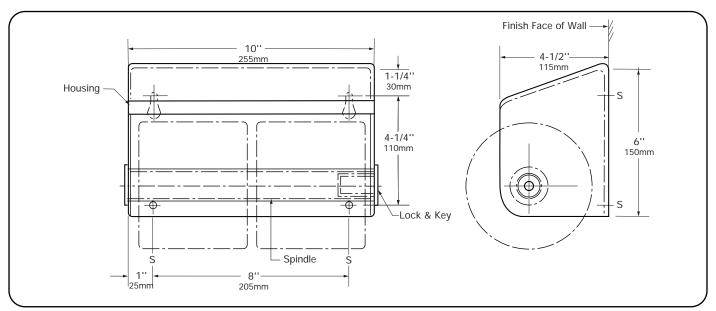

Available Models

RBA8143-100 Vandal Resistant Double Roll Toilet Holder

Installation:

Using unit housing as a template, mark locations for wall fixings. Install 4 mounting screws [provided by manufacturer] into 6.3mm anchors [supplied by others]. Remove spindle from housing by holding key lock flange in place so that it cannot rotate. The bullet catch must be in the up position to remove the spindle.

For best results, unit should be inspected and cleaned regularly as per the instructions in the RBA Product Warranty, Cleaning Care Guide, available on our websites. Important: Installation instructions and current rough-in details should be furnished with each fixture. Do not rough in without certified dimensions. Dimensions are subject to manufacturer's tolerance of +/-10mm.

As improvements in the design and performance of RBA products are continuous, specifications may be subject to change without notice, The illustrations and descriptions herein are applicable to production as of the date of this Technical Data Sheet.
