011360099 Compact II Flush Valve  
Body HP

**Recommended Products**

**Additional Notes**

\* Dual Flush

### Technical Specification

Note: All dimensions are in millimetres and are subject to normal manufacturing variations. Always use the physical product measurements for cut-outs and rough-ins as the technical details shown may differ from the actual product. Use acetic cured silicone sealant. Do not use epoxy type adhesives. Clean with damp cloth. Do not use abrasive cleaners, liquids or pastes.
