Programmable oven timer	Easy guide side racks	Dark Stainless Steel Finish	

BENEFITS

Steam, our secret for delicious effortless cooking
Bring out natural flavours and goodness with our versatile steam functions. Steam Assist Cooking is ideal for meat, poultry and fish, ensuring an even cook from centre to surface with a crisp golden finish.

AirFry for that perfect, crunch
When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Ovens that clean up after themselves
Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.

Designed for ease and safety
Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Cooler to touch oven doors
Beautifully designed with Australian families in mind, the multi-layer glazing of our oven doors are cooler to the touch when the oven is hot.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
