

Profile 4 Skew Close Coupled Suite

4.5/3 litre Vitreous China Close-Coupled Skew Toilet Suite

A vitreous china, close-coupled, skew trap compact toilet suite featuring minimal projection from wall dimension and low overall height. The **Profile Skew** is available in left or right hand skew trap options. The **Profile Skew** uses Caroma Smartflush technology to deliver water saving technology with a 4.5/3 litre dual flush. The Profile cistern is an integrated system with high performance outlet valve.

Pan: **Profile Skew** 4.5 litre full flush wash down pan with open flushing rim.

Traps: Left or right hand skew trap. Side delivery 95°.

Cistern: **Profile Cistern** – has a free fitting lid and is suitable for domestic and light commercial applications. **Vandal Resistant Conversion Kit available.**

Inlet Valve and Overflow: **Bottom Entry Cistern** – the cistern incorporates the new Quietflow 2 inlet valve to reduce noise during filling. Internal overflow only. **Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant.**

Fixing: The cistern is fixed directly to the pan with a robust base fixing system without the need for wall fixing.

Seat: Includes **Caravelle** seat.

Installation: Refer to *Important Information for Plumbers* section.

Colours: White only.
